Writ Petition No. 3330 (SS) of 2001

Hon. M. C. Jain, J.

Heard Sri Rajiv Sirvastava on behalf of the petitioner.

The petitioner was appointed as Sub Inspector as skilled Sportsman. A notice having been issued by the Respondent no. 2 for showing cause as to why his services be not terminated for having wrongfully procured such appointment, he has filed this writ petition. This Court is of the opinion that mere issuance of show cause does not prejudicially affect any legal right of the petitioner. The proper course for petitioner was to make a reply to show cause, detailing his defence in support of his appointment.

The writ petition is devoid of merit and is hereby dismissed.
